Question 1 of 3

Why is it important to recognize and celebrate small successes along the way to product success?

- Celebration balances the Retrospective.
- Celebration re-focuses the team on the Vision.
- Celebration focuses on success and breeds more success. **Correct**
Correct, when teams celebrate their successes, they gain confidence in their work.
- Celebration keeps us from working too hard.

Question 2 of 3

Why is it important for the SM to protect the team from outside requests and other distractions?

- so the team can control dependencies
- so the team can manage their time
- so the team can confront people who are asking for non-Sprint work
- so the team can focus on the Sprint commitment **Correct**
Correct, the team needs to be protected from outside distractions that keep them from delivering their commitments.

Question 3 of 3

Which is one of the most challenging and complicated types of impediments to resolve?

- management interference
- organizational impediments **Correct**
Organizational impediments are large, complicated and difficult for a single team or SM to resolve.
- dependency management
- interpersonal conflicts
