Cert Prep: Scrum Master Chapter Quiz

Leave a review 11,745 139,184

You answered 2 of 2 questions correctly. Continue watching Retake quiz

Question 1 of 2

The scrum master and the PO listen in on the development team as they discuss what they have done, what they will be doing, and what impediments they may encounter in reaching the sprint goal. In which formal event is this done?

- daily scrum **Correct**  
By getting clarity each day on these items, the team has an opportunity to inspect how they are doing, and may adapt their approach if needed.
- product backlog refinement
- sprint retrospective
- sprint review

Question 2 of 2

Ramesh has ordered product backlog, has the list of what was completed in the last product increment, and has reviewed the performance of the development team from the last sprint. In which formal event is this done?

- daily Scrum
- sprint retrospective
- sprint planning **Correct**  
All of these items are needed in preparation for the sprint planning meeting.
- sprint review
